OLD FARM HOUSE WHERE FAMILY WAS RAISED

**This is the Valentine L. Shaffer home in Monroeville, Indiana. This photo was made in 1998. Valentine and his wife, Eliza lived there in the early part of this century. Valentine died in 1929. Mom and Dad went to the funeral and it was held at this house, and mom was pregnant with me and so guess I was really there.**

**Valentine L. Shaffer was the father of Lydia Shaffer who married Joseph Newton Brown and had Ivan, Guy, and Ferol. Lydia died at 35 and Valentine married Eliza. I never knew my grandma Lydia and my dad was only 3 when she died.**

Just a few notes about these pictures that were sent to me by Ruth Schlemmer from LaGrange. Many I remember hearing about but most never remember meeting.

I have written a little about the Heckler family and what I remember about them. Find that as another story. One family that we met later in life was Ruth Shaffer who married Howard Miller. While we lived in Avilla, we became acquainted with Wilber "Web" Miller and his wife Lois (who was an Anderson from LaOtto). His parents were Howard Miller and Ruth Shaffer. They lived in a house on Highway 3 through Avilla several blocks south of Highway 8 which goes to Garrett. Warren visited with them more than I did as he took care of their TVs and appliances. I had no idea at the time that Ruth was a relative of mine. Wilbur and Lois had two children, just a little older than ours, Shirley and Jerry. Jerry and Charsie ended up living in Huntertown and went to Union Chapel Church some at the same time that we did. You will see Ruth as a young lady here in pictures and then both Ruth and Howard as a couple. I had often heard about Iva and Gilbert and probably met them as a child. The names are all familiar as my parents spoke of them frequently.

Of the younger generation, I do remember Stan Shaffer as a basketball player at Monroeville when I was in high school. At that time I didn't know he was a relative either.

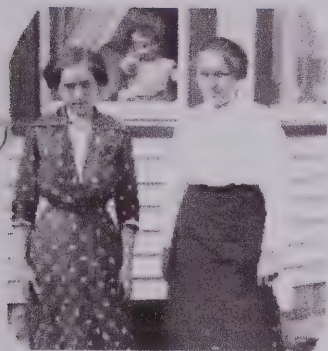

I noted that Chris Heckler and Mary Shaffer have the same kind of wedding photo as my grandparents, J. N. Brown and Lydia Shaffer. Lydia, being a step-sister of most of the rest of this family. Her mother died and she was the only child of Valentine Shaffer and Lydia Ridenour. The rest are from the 2<sup>nd</sup> wife of Valentine, Eliza. Valentine died the year before I was born, 1929.

Note the 50<sup>th</sup> wedding anniversary photo of Chris and Mary Heckler. She was the lady who gave me the "box of old dishes" when I was small. Which got lost somewhere along the way.....story elsewhere. Also note that Lois and I are the only children from this couple.....J.N. Brown and Lydia Shaffer. Though they had 3 children, my dad was the only one who had children. So for a time this line was down to 2 people.....now add our children, 7 more, and grandchildren.

## WHAT I REMEMBER ABOUT THE HECKLERS:

The main story I can remember about the Heckler family was that when I was quite small, we would often go to Monroeville on a Sunday afternoon to visit the relatives. Usually that included the Klinkers, grandma and grandpa, Ralph and his family, the Browns, and sometimes the Hecklers too.

Mary (Shaffer) Heckler and Chris Heckler had a son by the name of Tom who was somewhat retarded or at least had some physical handicap. He always seemed quite large to me and was somewhat frightening to a little girl. He was the age of my dad or close. Mary Shaffer had been the step-sister to Lydia who was dad's real mother. I can only remember Mary Heckler as being a sweet and friendly lady. One day she gave me a box of small dishes. I came home with these treasures and some were pink and some blue as I remember. I probably played with them some, and have no recollection of what ever happened to any of them. My guess is that they were old and probably some "treasures" among them or maybe just some depression glass pieces. But would guess they were some that had been in the family.

I recently asked mom about that, and she does remember that we did have them and she said that maybe the only ones left are the small white ones that she puts her pills in. Well, Mom, guess I will have to claim my "Shaffer inheritance"!! She can remember that there had been some blue pieces too, but suppose they are broken by now. So I don't <sup>know</sup> if they went up in the cupboard with the rest of mom's things or not, but in my memory, I did not have a box of dishes with my things, so would suppose they got lost in the shuffle! I was enough of a saver that I am pretty sure that if I had had them, I would still have them, or would at least remember that they had been with my things.

I have no more specific memories of the Hecklers except that mom has kept in contact with Viola Heckler who married Asa, son of Mary and Chris and Marvene who married a Springer. I personally do not remember them, only their names. They would be cousins to the Ruth Schlemmer who contacted me from LaGrange.

Poss. MD homes for Shaffer family  
after Rev. War

Valentine b. 1795 was born in MD

Back in Fort Wayne, at the Library, in the "History of Allen County". The following is a quote from that History: "came three first settlers John Edwards, Andrew Meeks, and George Eagy, all entered land and returned to their homes to prepare for migration. All came from Carroll Co. Ohio. George Eagy had already come to Adams County near Monmouth where his wife and children were settled on a small clearing....Mr. Meek engaged George Eagy to clear his land for him, 1837. Geo. Eagy then went back to Adams County for the winter, and 1838, returned to Madison Twp. with his family to a 40 acre tract. The homes of all three families were in the southeastern part near Massillon.

The late autumn of that year brought another Carroll County deligeti Consisting of the families of Charles Peckham, John Myers, Jesse Todd, and Adam Robinson. All settled in the south-east quarter. Tracts further north were taken by David Patrick, William Hill, Milton Holmes, and William Reynolds..... Other names are Elias Hobbs and seven sons, Jacob Marquardt, Jabez Shaffer and his son Martin Kemp, John P. Neff, Charles Jones and John Gault.

George Eagy was the first in the Twp. to build a hewn log house (he having been housed over winter in a hastily made shelter of round logs from the clearing) compared to the first house was a veritable palace.

The first Post Office was established in 1849 at the house of John Shaffer, son of Jabez Shaffer. The Jabez Shaffer Family still represented in the Twp. have material for pride in their family ancestry in this county, for while their first American progenitor, an immigrant before the Revolution was so ~~###~~ strongly convinced of the divine right of kings to rule, that he disowned his own son, Andrew, because the latter cast in his lot with the colonists and fought American freedom under command of our own General Wayne.

This patriotic son of the Revolution was the father of Jabez Shaffer of Madison Twp. a most honorable inheritance for his posterity. (I think Gen Wayne is incorrect. FES.)  
~~Revolutionaries because he had taken an oath that it was wrong to join the~~

A rumor exists that Andrew's father felt that it was wrong to join the Revolutionaries because he had taken an oath and sworn allegiance to the King of England. This was necessary at the time.

Because of this he may have entered this country after the law requiring the oath of allegiance. Following is the law copied from the Archives of Penn. Series 2, Vol XVII.

October 14, 1727,

The Provincial Council (Gov) adopted a resolution to the effect that all masters of vessels importing Germans and other foreigners from should prepare a list of such persons, their occupations, their place of living, whence they came, and further that the said foreigners should sign a declaration of allegiance and subjection to the King of Great Britain, and fidelity to the Proprietary of Penn. The first oath was taken in the Court House at Philadelphia Sept 21, 1727 by 109 Palatines. Most vessels came from Rotterdam, Holland, since much of the time they had to go to Holland first to get to England to ship to an English Colony.

Memorial of inhabitants of Northumberland Co, Penn. for "Exemption from taxes", This was because of losses from Indians and no way to recover on account of the Revolutionary war. The names which appear are: Thos. Price, Nicholas Shaffer Conrad Shaffer, Adam Shaffer.

There are lists of many ship passengers, but, as yet, no way to pick out the right one who started the line here.

The names of Andrew's children who signed the settlement of his estate are: Frederick, Valentine, Conrad and Amasa. Not that it proves anything those names appearing among the ships' lists may be of interest or even use when we find Andrew's father's name.

Subject: SHAFFER CLEARING HOUSE - various spellings  
Date: Sunday, June 07, 1998 4:27 PM

I am researching the Shaffer surname and the family info I have is as follows:

Andrew SHAFFER married Elizabeth CHAMBERS. He died in 1825  
Children:  
Frederick - Jabez - Valentine - Nimrod (could be Conrad) - Amasa -  
Julyanne and Elizabeth

I have info on Jabez and Valentine as follows:

JABEZ born 25-May-1793 in Frederick Co., MD (Farmer) On 25-May-1820 he married Susanna McPHERSON. she was born 10-Mar-1801 in Penns-Valley, PA. He died 7-Nov-1849 and she died 10-Nov-1883

Children were: Amasa - Elizabeth - John - Sarah - William (Married Alice -) - James - Jabez - Mary Ann - Lydia and Catherine.

VALENTINE born 11-May-1795 in MD and married Margaret (unknown) (date unknown)

Margaret born 1-Jan-1799 in OH. Valentine died 27-Sep-1874 and Margaret died 1854 in Monroeville, IN (since he died later, I would assume it was also in Monroeville)

Children were James Franklin and Mary

I have info on Jabez' son John as follows Born 21-Apr-1846. Married Martha J. Robinson 4-Jun-1846. Martha was born 22-Sep-1827 in Harrisburg, Carrol Co., OH. John died 25-Nov-1896 and Martha died 26-Sep-1916.

Children:

Amasa Jay - born 4-Jan-1853 in Massilon, Madison Twp, Allen Co., IN. He married Samantha Jane Peckham on 21-Oct-1875. Amasa died 24-Nov-1938  
Mary - born 6-Oct-1864 and married Jay A Cline on 22-Oct-1899. He was born 3-Jan-1865

I also have info on James Franklin - son of Valentine as follows:  
He was born 2-Feb-1826 in Stark Co., OH and on 13-Feb-1851 he married Mary Jane Rabbit. She was born 12-Jul-1828 in either VA or WVA. He died 17-Apr-1888 and she died 13-Sep-1916 both in Monroeville, IN.

Children as follows:

Valentine Lafayette - born 1-Jan-1852  
Ida F. - Married Zenas Bottenberg

I am in hopes that you can find me a match as looking for Shaffers is like "looking for a needle in a haystack"! Thank you for your offer and assistance.

Hi Ruth,

I think I have a match for you -- info received from Sue Rollins Allen of Odon, IN, in 1987. Do you know her? She has Andrew L. Shaffer married Elizabeth Madden "a welsh lady", and their children: Amasa, Jabez, Valentine, Frederick, Sarah, Juliet, Nimrod. Andrew L. Shaffer was born 1757 and died 1835 and his father was Jacob Schaeffer. There is more info on the group sheet I pulled this from. Names of spouses of the children, etc. I can type it in, but sometimes it is better if you see the persons handwriting yourself, especially if there are discrepancies in dates -- as there appears to be here. I am still checking for more matches for you, but what I am wondering is if you would like me to "snail mail" you the info from Sue Allen (and anything else if I turn up another match)? If so, please e-mail me your mailing address and I will copy the info and pop it in the mail. Jo Lynn Shafer

# Introduction

The purpose of this document is to provide a comprehensive overview of the project's objectives, scope, and timeline. It is intended for use by all stakeholders involved in the project, including the project manager, team members, and sponsors.

## Project Objectives

- 1. To develop a new software application that meets the needs of the organization.
- 2. To ensure that the application is scalable and secure.
- 3. To complete the project within the specified budget and timeline.

## Scope

The project will focus on the development of a new software application. It will not include the development of a new database or the integration of existing systems. The project will be completed by the end of the year.

## Timeline

The project timeline is as follows: The project will start on January 1st and will be completed by December 31st. The project will be divided into four phases: Planning, Development, Testing, and Deployment. The Planning phase will last for two weeks, the Development phase for eight weeks, the Testing phase for two weeks, and the Deployment phase for two weeks.

## 1860 MONROE TOWNSHIP, ALLEN CO., IN

NAMES FOR EACH SECTION starting with the area my ancestors came to.

H. Anderson	Section 31	160 acres
J. Anderson	Section 31	180 acres
S. Moore	Section 31	80 acres
F. Porter	Section 31	200 acres
H. A. Snyder	Section 31	40 acres

H. Anderson is probably Hugh Anderson. Noted as a huge man with 3 huge sons and made quite a splash in the area. My Uncle Ralph's first wife was Mary Anderson, and she was Louise's mother. She died when Louise was 4 years old. Louise doesn't think they were related to these Andersons. Thinks her line came from Canada. Nothing proven as yet. Some of the land in this section is what was purchased by my grandfather Lewis Klinker about 1919. It would have been on the Anderson land. Probably the H. Anderson farm.

J. Rabbitt	Section 32	75 acres
J. Shaffer	Section 32	80 acres
J. Folmer	Section 32	160 acres
S. T. Rice	Section 32	80 acres
J. G. Baker	Section 32	80 acres
W. B. Rabbitt	Section 32	80 acres
W. P. Rice	Section 32	40 acres
G. Wherry	Section 32	40 acres

Two names here are a part of my ancestor lines.....Rabbitt and Shaffer. Joseph Rabbitt was my ggg-grandfather. And my gg-grandmother was Mary Jane Rabbitt who married James Shaffer. Need to check to see if it was possible that the J. Shaffer might have been James. However, there were many J. Shaffers in the family.....like Jabez, and John. In checking there were no Jabez Shaffers who could have owned land at this time (they were mostly in Madison Twp. anyway and John should also be found in Madison, so assume that both of these properties belonged to James. Since he married Mary Jane Rabbitt, they may have lived next door to Joseph and his family. Joseph Sr. was still living until 1866. Joe Jr had died in 1860.

East Liberty was partially taken from the J. Rabbitt farm and this included a school house. Perhaps that makes the difference of the 5 acres .....taken from the 80 acre plot.

W. B. Rabbitt (William) was married to Mary Wherry. Possibly G. Wherry was a brother.

L. Reidenaur	Section 33	260 acres
Wm. Winegart	Section 33	160 acres
D. Crabill	Section 33	80 acres
N. Clem	Section 33	160 acres

L. Reidenaur is Lewis Ridenour who was my gg-grandfather. His daughter, Margaret Lydia Ridenour, was the first wife of Valentine Shaffer and the mother of our Lydia Shaffer who married my grandfather, Joseph Newt Brown. My sister Lois and I have the only connection to this line through Lydia Shaffer. My dad's siblings did not have children and Lydia Shaffer did not have siblings either except through a step-mother. So it was up to

Lois and I to make this line go further. From the 2 of us there are now several other generations to come from this line that almost died out before it got to Lois and I. Valentine had several children through his 2<sup>nd</sup> wife, and Newt Brown also had several children through his 2<sup>nd</sup> wife, but Lois and I were the only ones to come from Valentine and Margaret, and then through Lydia and Newt.

In 1860 there was a school house on the farm of D. Crabill in northeast corner.

A. J. Clem	Section 34	160 acres
William Wise	Section 34	160 acres
J. Miley	Section 34	160 acres
M. Rutlege	Section 34	40 acres
R. Rutlege	Section 34	40 acres
M. R. B.	Section 34	40 acres
M. Jenkensen	Section 34	40 acres

Though the Clem name is very familiar in the Monroeville area, none of them are in my direct ancestor line. The other names are not familiar at this time.

W. T. Wilson	Section 30	80 acres
H. A. Brown	Section 30	80 acres
S. Cook	Section 30	80 acres
William Bunyan	Section 30	80 acres
J. Freidline	Section 30	160 acres
F.W. & C. RR Company	Section 30	80 acres
S. Umbaugh	Section 30	40 acres
A. Magner	Section 30	40 acres

H. A. Brown was my gg-grandfather. It is his land on which you will find the Brown Cemetery. There are several of my ancestors buried. The Browns, the Rabbits, and the Shaffers. The Brown family came from PA and from the same place you will find the Freidline family's home before coming to Indiana. So they were neighbors back in PA. John and Margaret Friedline are also buried in the Brown Cemetery.

S. Umbaugh	Section 29	40 acres
A. Magner	Section 29	40 acres
F. W. Hawk	Section 29	40 acres
J. Myton	Section 29	40 acres
P. Benter	Section 29	80 acres

T. Burger	Section 29	35 acres (with E. Liberty)

Another J. Shaffer listed here with 80 acres. East Liberty is on the Burger land with apparently about 5 acres taken out on the north side of the road for the town. Far south west corner of section 29.

H. Jackmeyer	Section 20	40 acres
D. Clem	Section 20	40 acres
P. Slemmer	Section 20	40 acres

Both the Clem and Slemmer name are still very familiar in the Monroeville area. One of my Shaffer cousins, married a Slemmer and live in LaGrange, IN.

J. Shaffer	Section 21	38 & abt 60 acres with RR
J. A. Slemmer	Section 21	40 acres
G. Slemmer	Section 21	60 acres
W. Griffith	Section 21	20 acres, north of RR
J. Foster	Section 21	160 acres with RR thru
J. Bowers	Section 21	160 acres

Another J. Shaffer. The railroad is running through or at the north side of his land and the remainder of the 40 acres and the other section on the other side of the RR were sold to a Griffith at that time, which connects to his land in section 16. This was without a doubt, my James F. Shaffer. The land records show that James sold this land to Griffith and to a Slemmer in the 1860's. They may never have lived on this land. But perhaps lived on the land in Section 32 by East Liberty. Since James married Mary Jane Rabbitt and she would have lived next door, this is very possible. This may be the Foster family from which Lois Foster descended. Lois married my cousin Roger Klinker.

J. F. Swift	Section 18	40 acres

Section 18 is the section which contains the village of Monroeville. The railroad runs right through the town. This may be the Fort Wayne and Cleveland RR Company though am not sure what the “C” stands for at this time but the Co. owned quite a bit of land in the area. Perhaps it was Fort Wayne and Chicago??? Will check Monroe Twp. history.

J. Brown – probably the John Brown who married Mary Marsh

Though most of these are not in a direct line of any of my descendants, they were brothers, cousins, etc. Many of them were also buried in the Brown Cemetery. The Marquarts are of interest because Aunt Helen married I. B. Marquart. The Spragues because of the marriage of Martha Brown, my grandpa Brown's sister, to Lewis Sprague. Then we knew Clyde who was a cousin to my dad. The Robinsons and the Shaffers were intermarried. Jabez Shaffer was a brother to my ggg-grandfather Valentine Shaffer, and they were the first Shaffer families to move here to Monroe and Madison Township.

Another note of interest on this map is the reference to a William Klinker just above Madison Twp in Jefferson Twp. This would have been in 1860 and 9 years before our Klinker family came from Germany to America. Grandpa Lewis Klinker had a brother William, but he was not born until much, much later. So in checking to see about this Klinker family, I note that William had 120 acres right next to Madison Twp. In checking the 1880 map it shows that the land was in the estate of William Klenke. So not sure what the name might have been. Land in Section 31, with a Dingman or Digman as neighbors. It is not far from Maples where my Uncle Raymond lived on a farm that had first belonged to my Grandpa. It was one of 3 farms that he owned in the area. Maples was a railroad depot. There is a William Klinker in the 1860 census in Adam's township, but could not find such an entry on the Adam's township map. It may be there. In checking IGI there is a William Klinker who married a McClure (I think). Will need to check further on that to see where that was found.

I find that interesting because mom always said that the farm had belonged to "Uncle Bill" before Lewis and Hattie bought it. Always assumed that it was grandpa's brother, Bill, and it may be correct. But wonder what the relationship might be between these Klinkers and

our Klinker family. Not many of that name even listed in any early census reports in the U.S. The William Klinker (if he was not Klenke) would have been about 2 generations before my grandfather.

Can anyone help me find the names of the children of Adam and his wife Catherine (Wotring) Shaffer. Adam was the son of Frederick Theobald Shaffer and Catherine (Kissinger) Shaffer. Have been to so many genealogy web sites and had no luck. My husband is a direct descendant of his brother Andrew Shaffer who moved to Ohio (have his family history in order.) Happy to share all info. E-mail me direct at ShirlShaff@AOL.com

CLAUDE AND BESSIE SHAFFER  
Married 75 years and that's 'a long time'

## *75 married years both 'sweet,' 'sour'-but always together*

By DELL FORD

Claude Shaffer and Bessie Sprague grew up in the same area of Madison Township as "quarter-of-a-mile apart" neighbors.

When Claude was 20 and Bessie 17, they exchanged vows in the parsonage of Hoagland Methodist Church. He has no recollection of the first time he asked her out for, as he put it, "it's been a long time."

Indeed it has. More than 75 years, which is the number of years they've been married, come Sunday.

How do they plan to celebrate the occasion of their diamond anniversary? Bessie, who was 92 Nov. 24, allowed as how she and Claude are "just going to do as the kids tell us to."

Daughter Zelma Allmandinger explained that what is planned is family attendance at morning services at Robinson United Methodist Church. "Family" includes 6 children, 12 grandchildren, 24 great-grandchildren and 4 great-great-grandchildren. All of whom live in and around Fort Wayne.

A private family buffet luncheon at the Shaffer Leo Road home will be followed by a reception for friends and relatives from 2 to 4 p.m. at the church.

Plagued some by arthritis and "poor

circulation," Bessie has been forced to rely on a cane and no longer ventures outside her house. Claude, on the other hand, still chops wood for the kitchen stove and, at 95 (last July 17), continues to take his '60 Chevy on short jaunts to Grabill for groceries.

Seated by her husband on the living room sofa, Bessie observed, "We're both hard of hearing. I can't hear him and he can't hear me."

In a day when divorce is as common as marriage, 75 years of togetherness marks some kind of milestone. Ask the Shaffers how one manages and Claude remarks, more or less to himself, "I wonder." And Bessie, confessing "that's a pretty hard question," simply says "sometimes it's sweet, sometimes it's sour. But don't ever get it into your head you won't have any trouble."

As to who's been boss these past 75 years, Claude piped up, "She made a promise at one time in an oath that she'd obey me. Now they promise to 'assist'."

He added that up until six years ago, when he sold the 84-acre farm, he was boss.

At which point Bessie interjected, "I'm the one who gets the meals. He never got one. I'll take that back," she quickly corrected, recalling she was "in the hospital

four times. I don't know what he did then."

Asked who was first to give in in the event of an argument, Claude insisted "I break every one of them up because I walk out. My father wouldn't allow us kids to quarrel—so I won't sit very long and listen to an argument."

His wife, a merry glint in her eyes, said she was "a good girl. I never got a licking from my mother." On a more serious note, she said "in an argument, if I thought I was wrong, I felt sorry for him. I've been sorry a lot of times."

Something she's not sorry about, for sure, is her family. "We have six wonderful children to take care of us," she said, "and we're so proud of all of them."

Mrs. Allmandinger pointed out there were seven children. Her brother, Raymond, died in 1932; she said. That there has been only one death in the immediate family in 75 years is, to her, "remarkable."

In addition to Mrs. Allmandinger, Shaffer sons and daughters include Ralph, Dean, Cleo Ream, Marthajane Hursh and Wilbur. They're the ones who have planned the Sunday celebration and will be, as Bessie phrased it, telling mom and dad what to do.

# Shaffer's scrapbook spans century

By Nancy Vendrely  
The Journal Gazette

Over his lifetime, whenever a newspaper article looked back at some significant or calamitous local event of the 20th century, Ralph Shaffer clipped the story and put it in one of his scrapbooks.

## Yesterdays

Shaffer, 96, didn't do this because he's a history buff but because he can remember most of the incidents, first-hand.

"I like to keep track of things that amount to something in my life," he

says as he shows his scrapbooks to a visitor.

Born June 30, 1902, Shaffer has personal stories for most of his clippings.

He was only 8 when the tragic collision of two interurban trains, 18 miles south of Fort Wayne near Kingsland, killed 47 people — 41 in the crash and six who died later from their injuries.

Around noon on Sept. 21, 1910, on the interurban track running from Fort Wayne to Indianapolis, an older wooden northbound car collided with a new steel car running south out of Fort Wayne. The steel car ripped into the wooden car, peeling its sides away as the cars telescoped.

"My Grandmother Sprague was in the thing," Shaffer says. "She was all tore up. They took her to my aunt's house in Fort Wayne and she was a long time healing."

The next year, he saw tragedy touch people's lives again.

The Shaffer family — father Claude, mother Bessie and their six children, one of whom was Ralph — lived on Antoinette Street. Claude Shaffer worked for the Pennsylvania Railroad, repairing wooden box cars.

On the night of Aug. 13, 1911, the family had gone to bed unaware that the Pennsylvania Flyer had barreled into the city from Chicago and crashed into a freight train near Swinney Park. The Flyer had run through a switch at the St. Marys bridge, set up to reroute trains to a temporary crossover while the Broadway elevation was under construction.

"Me and my brother slept in a downstairs bedroom," Ralph Shaffer says. "That night, we heard this knock, knock, knock on the window. It was our neighbor, Mrs. Wilson, pounding on the window,

yelling, 'Can I see Claude?'

"We ran upstairs and got our father. A messenger boy had come and told her about the wreck and she wanted our dad to go down and see what happened. He went over to the track on Walton (now Anthony Boulevard) and got on an engine and they took him down there."

The neighbor's husband, who worked for the railroad, had been killed.

"Mr. Wilson always went to work about 3 or 4 o'clock in the afternoon," Shaffer says. "That day, I was sitting on a pile of scrap lumber as he went by. He liked me and he liked to tease me. I said to him, 'You goin' to work?' And he said 'Yep, I'm leaving.' So I said, 'Ain't you coming back?' And he said,

"No!" I never forgot that."

As a teen-ager, Ralph Shaffer saw some better times. When Fort Wayne pulled out all the stops to celebrate Indiana's centennial in June 1916, he was in the audience at the biggest event — a Hollywood-style historical pageant in Reservoir Park. The stage was an island in the park's lagoon. More than 1,000 people enacted scenes of the city's history, while 14,000 people sat in a temporary amphitheater constructed on the hillside that covered the reservoir.

"I took my girlfriend to see (the pageant). They had music, lots of officials making speeches, Indians, a big powwow and everything."

Shaffer also witnessed the big parade downtown when World War I ended.

"There was a lot of whooping and hollering and waving flags. It was quite a commotion," he says.

Though his parents' roots were in the farming community near Hoagland, Ralph Shaffer was a city kid. As soon as he could, he left high school to get a job.

"I wanted to make some money. I'd go from one job to another. I'd work awhile and if I didn't like it, I'd find something else. There were lots of jobs then.

"My first job was at the Economy Glove Company on Wallace Street. Then I went to the Boss Glove Company on Fairfield. They had rolls of flannel in wide sheets. My job was to lift the rolls up on a rod and pull the fabric out on a conveyor. I'd feed it to the next operator and he would stamp the gloves out. Then they'd go up to the girls in the sewing room."

Eventually, Shaffer landed at Edison Lamp Works on Holman Street, now East Brackenridge where the Lincoln National Life Insurance building stands.

"They made light bulbs — by the millions," he says of Edison. "I was just a teen-ager, maybe 15."

The money he made supported his favorite activity — riding a motorcycle.

"I paid \$300 for a new Harley in 1917," he says. "What would that cost today?"

He also met his future wife, Pearl Weaver, about that time.

"We had a lot of fun. Pearl would sit behind me and off we'd go. I finally got a sidecar for her. We'd just ride around, go uptown."

Ralph and Pearl married in 1921 and had two sons, Wayne and Ralph Jr. Long before then, Ralph Sr. had transferred to General Electric, seeking a more dependable job. He

learned to be an electrician and worked his way up into management, retiring in 1964.

"You know that G.E. sign? I helped build that sign, did some of the electrical wiring on it. Each one of those bulbs had to have wiring on it."

Later, to replace burned-out bulbs, he had to climb a steel ladder and navigate the catwalks behind the lighted letters.

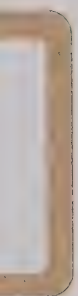

"I was pretty high up one day and the wind was blowing pretty doggone stiff. I had a big box of bulbs and the wind caught it and blew it right down. I had to climb down and clean it all up and start over."

Widowed, Shaffer lives at The Cedars, near Leo. His father lived to be almost 100; his mother lived to be 104. He has grandchildren, great-grandchildren and great-great-grandchildren, but says, "Don't ask me to count 'em."

From the horse-and-buggy era to jet travel — he's been in 48 states and several foreign countries — Shaffer has enjoyed life.

He's had a good look at the century that is about to pass into history.

"I can remember what happened years ago, but I can't remember what happened yesterday," he says with a laugh.

Ft. Wayne, Indiana

Dear Mrs. Schlemmer,

A long time has passed since the state bowling tournament last spring and I thought I would have time to write to you long before this, but we have had a very busy summer as I suppose you have had too.

Seems we spent the summer working around home, which we needed to do desperately, and going to auctions. I am not really an antique collector but do like certain things. I do collect fruit jars and "primitives". I like any kind of woodenware, brass, copper, iron and tin. Oh yes, and any kind of candlesticks. I don't spend much money but have a lot of fun.

I hope everything is fine with your family and that you had a nice summer. Just a little about our family - I suppose you remember that I am Guy Brown's daughter. Well I'm married to Warren Fitch, a wonderful guy, and we have four children. Cathy is married, Carol is being married in March, John is a senior at Carroll High, and Larry our youngest is a junior. I guess that is about enough to acquaint you with us. I was Betty Brown, daughter of Guy and Mary Brown.

That is another subject. I suppose you knew by this time that my mother and dad are divorced. It is a long story but I suppose that both are to blame in many ways. Anyway it is over and dad is married to someone else. Mom is working at the St. Joseph Hospital in Ft. Wayne. She works at the coffeeshop. She is getting along fine and seems quite content now.

Well, I am interested in knowing what you can tell me about the Shaffers of Monroeville who were my dad's relatives. Or any of his relatives for that matter. I need dates and have now pictures even of his mother or father or farther back. I'm hoping that some do exist and that I may be able to get copies of them. I have done this with mom's ancestors and all of my husbands. Records in Ft. Wayne do this very inexpensively.

Perhaps your husband's Mother would like to sit down and write to me about anything she might know that would be interesting. I'll tell you what I do know and maybe she could fill in. I would like stories as well as facts of any of these people.

First of all I found out this information by cemetery markers and through the census reports of early Allen County.

On the Shaffer side of the family --

Guy Brown is the son of  
Joseph N. Brown and Lydia Shaffer who is the daughter of

of James and Edith, and I know nothing of the children. I do not know if they had any children. I do not know if they had any children. I do not know if they had any children.

Would you know the family names of either of these women?

Also who was James Shaffer's father and mother.  
In the old cemetery out on the old Brown farm there is a  
Valentine Shaffer who had a wife Margaret. That Valentine would  
have been born about 1895. Could he be the father of James Shaffer.  
Or do you know who else he might be?

Also Do you know any farther back in that family history.

Do you know who James Shaffer was and what relation he might be  
to Valentine or James.

That is about I know about the Shaffers except that I do have the  
dates off the tombstones, but many of these do not have anything but  
the year of birth and death.

James Shaffer, born 1895, died 1950. I do not know if he had any children. I do not know if they had any children. I do not know if they had any children.

*I have become involved in Genealogy since I retired and have a computer. In going through some of my Mother-in-law's old papers, I found a letter you wrote sometime ago asking for info regarding Lydia Shaffer — the mother of Ivan, Guy and Ferol Brown. I have been doing quite a bit of work on the Shaffer family and would be glad to share with you whatever you need that I would have available.*

*I am enclosing some forms I have made up with what info I have on the Brown family. I would appreciate it if you would look it over and fill in what you can of the blank spots — especially those hi-lighted in pink.*

*I am also enclosing a copy of the first 5 generations of the Shaffer family that I have in my records. This includes Lydia and her step-sisters and brothers. I have been working with a woman in Monroeville who happens to also be related to the Shaffers on her Mother's side and the Schlemmers on her husbands side so we have much in common! Her mother's family is descended from Jabez Shaffer.*

*I hope that this info is not too late and that you are still interested. I will be anxious to hear from you again and hope that we can share even more information on the Shaffer-Brown family.*

*Sincerely*

*La Grange, IN 46761*

August 20, 1998

Dear Mrs. Schlemmer, or may I call you Ruth??

Your letter yesterday was the highlight of my day, my week, and maybe my month!!! It reduced me to tears when I turned the first page and saw the photos that you sent. I do have a photo of Lydia Shaffer and J. Newt Brown, but the others I had not seen before. The one of my dad and Ivan is the youngest one I have seen of dad. And Ivan's is a gem. I don't know if my folks never had any of Ivan or if dad maybe took them when he left mom. At least I was elated to see them. Leads me to another question then.... what kind of photos do you have of the Shaffers as a family or individual?? I would be interested in any of the related families of Shaffers if there should be such out there, in photograph form. I have gotten some very successful photos from lazier copiers at the Office Depot, etc, and the cost is minimal. If you have such photos and wouldn't mind my borrowing them to copy we could probably come to pick them up some day. LaGrange is not that far away. Or if you would rather not let them out of your sight, I would pay for you to copy them and the postage. Well, that is something we can work on at a later date perhaps.

I applaud you for your courage to get on the computer and looks like you have mastered it quite well. I find most folks my age really don't want to tackle it. I "inherited" our computer as our son, John, is in business and it is mainly with computers so when he had to upgrade again, he gave us his older one which is a Mac. Have had it about 4 months I guess and am still learning. Plan to get on the Internet about Oct. 1, Have been putting that off as we have been so busy that I knew summer would not be a good time to begin. So by October, hope I have a little more time. This has been about the busiest summer on record!! We have a dozen grandchildren and seems they all play sports and the summer was filled with baseball and softball. However, winter brings on volleyball and basketball, and track so not sure how we are going to get "less" busy!!!

Love your format of family group pages etc. Is it from Family Tree Maker?? I have several friends who have that software and they all seem a little different. My printer at this point is just black and white. Since it was a gift, I am just thankful for it. And do you do your photos by scanner? I have considered the Family Tree Maker, but so far haven't gotten further than admiring everyone else's pages!!

I do correspond with a lady in California who is into the Fitch Family Genealogy and we have contacts all over the US helping us along and we help them when we can. She has all the latest stuff to help her. I am just lagging a little behind. She happened to find our son, John, on the internet and so contacted him and he gave her my name.

I do not really remember when it was that I contacted the Schlemmers in LaGrange for information. I have been doing that since about 1970 off and on, but am surely glad you found my letter. It is very timely as I had been going to the library to do research (on about 25 different family names) for the past few weeks and in that time had discovered about the Rabbit connection to the Shaffers but had yet to find our "Maggie" Ridenaur's last name.

The gravesite calls her Lydia M., and always wondered what the M stood for. Suppose it is really Margaret?? I have photos of many of the stones in the Monroeville Cemetery as well as the Brown Cemetery. We took those in the 1970's (Brown Cemetery). So I have the photos of the Valentine and Margaret Shaffer stones in the Brown Cemetery in bad condition, but I have them. I don't know what condition it is in now.

I am sure you know that my step-grandmother Orah Brown, Newt's 2nd wife, passed away a couple weeks ago. She was 102. We went to the funeral at Monroeville. She had been in a nursing home for about 5 years and was still alert most of the time. She had her bad days of course, but at 100 she knew me even though she hadn't seen me for several years.

I have also been looking into the names of Rabbit, Ridenour, Freidline, as well as the Brown and Shaffer name. Can trace some of them back quite a ways, but not always sure which family they can be hooked up with. Do you have information on any of those families? Because they were all buried in the Brown or IOOF Cemeteries I assume they are all connected in some ways. I find a lot of Freidlines in Pennsylvania too.

I had an interesting find recently in the Brown family. Orah Brown had told us that she thought Newt's mother was a Heath, but didn't know for sure. Going through the Allen County marriages I ran across the fact that John H. Brown married Sarah J. Pancake!! So now I am looking for the Pancake name instead of Heath. Of course she could have been married to a Pancake and still have been a Heath. This genealogy is no easy task sometimes, but I love it!!!

I am going to Office Depot today to make some copies of the things you sent to me and then will send you back a copy with the information that I have. May have to make another page or so to go with this letter explaining items.

Well, will stop for now. And so many thanks for your time and that you thought of me. Yes, Yes, I am still very interested!!

Betty L. (Brown) Fitch

Guess it is time to finish this letter now. I copied the pages you sent to me so I could send back to you what few things that I had some questions about. I have hi-lited them and gave you what information that I had on the subject. Most of them I had a little more information or didn't agree in dates or something. Check it with your facts. Not all sources have the same info, but you ladies have done a fabulous job and saved me a lot of work. I had scoured the census reports, marriages, and cemeteries for all I could find. You just helped me to get these people all in the right families and gave me so much more information that I had before.

I would talk to my mom and ask her about the Shaffers and she would tell me she didn't know a lot. She remembers going to the funeral of Valentine L. Shaffer in Monroeville. Think the house was close to my own Grandmother Klinker's. I suppose there was no house there at the time, because they didn't build their house in town until much later. Not sure if Valentine's house was one or two houses south of where they built later. Mom told me that I was at the funeral. Guess she was pregnant with me at the time and I see that would have been so, as he died Nov. 1929 and I was born in May of 1930.

I remember very little of any connection with the Shaffers, except that occasionally we would go visit some of them on Sunday. I do remember that the lady called "Aunt Mary" (Mary Heckler) one day gave me a box of glass dishes. They were small and I don't know what ever happened to them. Seems they were pink and blue. Today I called mom to ask her where she was born and then asked if she remembered the box of dishes, and she said she did, but thinks she has used them and only has two little white ones that might have been in that box. Now I wish I still had them. She thought there were some blue ones, but they are long gone. "Mom, those were my inheritance from the Shaffers"!! Well, if we could just go back and do things over, probably nothing would ever be thrown away. But they probably got broken.

I vaguely remember Tom Heckler and probably was a little afraid of him as a child, as he was different. Mom still talks to Viola every so often and said she heard that Lida died just very recently. As I was going through my book on the Browns and the Shaffers I found a copy of the letter that I sent in 1972. Could not believe that I saved a copy of it, but I did. You answered a lot of my questions that I asked then. Actually in the meantime, we have married off all of our children and had 12 grandchildren and I worked for a good many more years at Singer and JoAnn Fabrics. I didn't get back with this much until about 1994 when I sort of retired. So your timing was just right!!

It is approaching my bedtime so must stop and get this ready to go tomorrow. I copied the page of pictures for each of our children and grandchildren (in black and white). I have made books for them all since 1994 and we are working on the 2nd notebook for each of them. Each Christmas I send or give each of them more

pages of their family genealogy. Some spend hours pouring over them and others don't have a lot of interest at this time, but I am sure they will some day. I told them if they weren't really interested right now to just put them away in a safe place and some day they would be.

As for myself, I have probably 40 or 50 different notebooks of family stuff and some of them are 2" and 3". My list of names is quite long and I type up stories to go along with them when I find out incidences in the lives of our ancestors. My Grandma Klinker has kept a diary for several years and I have typed that out. It is quite simple and she didn't go into a lot of detail, but it is interesting to see how she lived after they moved to Monroeville.

I am sure she was too busy to do that while they were out on the farm. I know a little about the Browns, but not a lot. My own memories and a few mom has told me. Dad never talked about his relations very much. Guess he was always too busy too to think about it. I keep a daily diary too and have done that for the last 20 or so years. It was sporadic until that time, but have a few I kept for a few months in the 60's when our kids were young and in school.

We don't see my dad very much. He has now lost a lot of his sight and has bad knees and walks with a cane. But he worked late into his life doing carpenter work when most fellows would have retired. Up until a couple years ago, he had a large garden and took care of all of his yard.

Well, thanks again for all your trouble and I was so excited to hear from you. Hope we can continue to help each other out, but not sure much what I can do. Seems you have done most of the work.

One other interesting thing was that we discovered that we were related to one of our best friends in Avilla. We would visit them often and when I got an electric sewing machine I gave Lois Miller my old treadle. We knew Wilbur and Lois quite well, but never knew that his mother was a step-sister to my own grandmother. Warren fixed TVs for Howard and his wife, Ruth. That was the business he was in for quite a while. We also knew Max and Bill. However, it is too late to tell Wilbur and Lois as they have both died.

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present and for the development of a sound policy for the future.

2. The second part of the paper discusses the role of the government in the development of the United States. It is argued that the government has played a crucial role in the development of the country, and that its actions have been guided by a set of principles that have been passed down from generation to generation.

Just thought of another question that I wanted to ask. Where did you find the references that Andrew Shaffer was the father of the boys and that Jacob Shaffer was his father? Was it a Bible record? Or some other source?? I like to have the references so that I can sometimes look them up myself.

I have found Andrew and Jacob on different census records of different states:

#### MARYLAND, 1810 CENSUS

Andrew Shafer	553	Baltimore County	Pipe Creek Township
Andrew Shaffer	313	Montgomery County	No township listed
A. Shaffer	404	Frederick County	No township listed
A. Shaffer	339	Baltimore County	Baltimore
Jacob Shaffer	006	Baltimore County	Baltimore
several			
J. Shaffers in		Frederick County	No townships listed

#### PENNSYLVANIA 1810 CENSUS

Jacob Shaffer	298	Northumberland Co.	Mohantan Township
Valentine Shaffer	251	Northumberland Co.	Upper Ma.
Andrew Shaffer	308	Northumberland Co.	Pennsylvania Townsh.

The 1820 PA census still has several Jacobs, 4 Valentines, but no Andrew. Seems those were popular names with the Shaffers.

Would appear they went from PA to MD and then to Ohio in the Stark and Carroll County areas.

#### OHIO 1820 CENSUS

Andrew Shaffer	173	Stark County	Canton Township
Frederick Shaffer	173	Stark County	Canton Township
Jabez Shaffer	190	Stark County	Plain Township
John Shaffer	179	Stark County	Lawrence Township
Jacob Shaffer	180	Stark County	Lake Township

There was also a Jabez Shaffer in Carroll County, Ross Township  
By 1850 they were in Indiana.

Apparently Frederick came to Indiana too as in 1872 there was a land transaction Frederick Shaffer to Henry Shaffer. I believe your notes say Frederick died in 1874.

Any idea on which boat or when they arrived in America?? I haven't looked that up as yet, but did find my great-grandfather and great-grandmother Klinker and when they arrived, 1869, from Bremen. Germany, to Baltimore on the ship BALTIMORE. However, it helped as I knew about when they arrived and that it was from Germany.

*Dear Betty:*

*I also was thrilled to receive your information to fill in some of the bare spots in my Shaffer Line. I assume the picture you sent was Guy and his wife. Thank you so much. I did not have a picture of them.*

*I am enclosing some more info and pictures that you might be interested in if you do not already have them. Since I am unable to get to anyplace where I can do any research of my own. The material I have has all been given me by others who are working on the families I am interested in. Janice Lehrman who lives in the Monroeville area has been one of my main sources of info on the Schlemmer families. I first met her when she came to La Grange looking up Schlemmers as her husband was descended from a Schlemmer who married a Lehrman. During our conversation, she mentioned that her Mother had been a Shaffer and she was also searching that line so we had two families in common. We have been exchanging info ever since. She does the legwork and I do the searching on the internet.*

*You wondered what Genealogy Program I use — it is called Brothers' Keeper. If you get onto the internet, they have a website where you can review and even download a copy of the program. I tried three other programs before I decided on this one. I did not try Family Treemaker. I know others who use it but I understand that it is much more expensive.*

*I am interested in your cemetery pictures. We took some pictures several years ago but they were on slides. I have made copies of a few of them but they are not too good. You also mentioned pictures. I have a scanner and can copy pictures on my own. As you can see from the forms I sent, I can scan pictures into my Genealogy programs and would like to have one to go with as many of those included in my program as possible.*

Verne and his brother read your letter and both of them remembered their mother speaking of the Pancake name. You also mentioned the names of Rabbitt, Ridenour and Freidline. I would be interested in all of those also. You also mentioned the Miller family. That is one that I have very little info on and sure would like to learn more about them. I do remember visiting them a time or two in Avilla and some of them stopped here to see Verne's mother. Too bad that that I was not interested in this genealogy at that time. If only we had some Hindsight!

I would love to get together with you and compare notes personally. If it would be convenient for you to come to La Grange, I would be glad to show you what I have and share with you any info I have that you are interested in. If you have any pictures or documents that I do not have and would bring them along I could make copies here..

I also am interested in getting to the Ft. Wayne library and working with someone who can really show me the ropes. My daughter and I were down once with a friend of hers who is just getting involved and really did not know much more than we did so I did not feel that trip was very successful. My daughter would like to go again but she works and her time to get away is limited. Verne had a light stroke a few years ago that affected his speech and he has not done much driving — practically no city driving. We have talked about going down to Monroeville one of these days and getting together with Janice again but that has not materialized as yet. Maybe we will make it one of these days.

That's enough rambling for this time — hope you will pardon the delay in responding to your letter and info but it has taken time to get what I have enclosed together.

Sept. 25, 1998

Dear Ruth,

Sorry it has taken me so long to get back to you. One of the things that I waited for was that I had contacted the Miller family and Charsie promised to send me information. Well, so far I have not received it, but am sure she is working on it. She is the wife of Jerry Miller, who is the son of Wilbur and Lois. We also went to church with Jerry and Charsie at Union Chapel United Brethren Church. They lived just down the road from the church at that time. Now they live in Huntertown. So when her information comes, I will just send it on to you. She didn't know a great deal except for her own family and perhaps some of their aunts and uncles, several of which are gone. Actually Lois Miller, wife of Wilbur, died just last year. Wilbur was a painter and painted buildings, not pictures!

Thank you so much for all the photos you sent. I do still want to come and visit with you, but looks like the next few weeks are pretty busy. We had the Klinker Reunion at Monroeville a couple weeks ago and while out there I stopped in Monroeville to take a photo of the Shaffer house. I could easily identify it by the photo you sent. Mom was with us and she didn't remember which one it was, but the photo told the story. It hasn't changed very much.

We also went by the Brown Cemetery, but decided we would try to go back some day when the weeds and leaves had died down a bit. We were not dressed for the walk that day and it was pretty hot. It looks like a major job just to get to it anymore!!

Do you have an Internet address, so when I am finally hooked up, perhaps I can contact you that way??? I am such a novice at this thing, that I am not sure if I can do it, but guess you never know until you try, do you?? Today I am going to do some checking on what is available and cost, etc. John has given us the software for America on Line. And says all we have to do is make a call and have the line hooked up and then pay the bill!! That will be my husband's job, to hook it up....suppose I will pay the bill. Anyway, Oct. 1 is not that far off so had better get with it.

Will stop for now. Will not write a book this time. Will write later when I hear from the Miller family. Thanks again for all the photos.

Love, a long-lost relative,

Betty (Brown) Fitch

One account says that Andrew L. Shaffer married Elizabeth Chambers Andrew being born near Philadelphia in the Colony of Wm Penn, 1757 the marriage taking place after the war circa 1784

Another account says that Andrew married Elizabeth Madden, a Welsh lady.

Andrew apparently moved from PA to Georgetown, MD, and then on to Stark County, Ohio, where we pick up the trail of the family who moved to Madison and Monroe counties in Indiana.

Andrew died & buried in Tuscarawas Co., Ohio, next to Stark  
Jabez was listed from Carroll Co., next to Stark

December 26, 1998

Dear Ruth,

It has been quite a while since I last wrote to you. I was hoping to have the Miller family in tow by this time, but have not heard back from Charsie Miller but will make a call to her this next week. I understood that it doesn't do much good to ask folks to do things before A big holiday. And now that Christmas is over, perhaps they will have a little more time to respond. We too have been very busy.

Finally got on line and our E-mail address is wfitch5413@AOL.com . If you have an E-mail address I would like to have it. I find it does make correspondence much easier.

One of the reasons for my writing at this time is that I wanted to send you these photos of the Shaffers buried in the Spencerville Cemetery. My husband has family buried there by the name of Doll and Shilling. So just by chance I ran across these Shaffers and think they may well be the family of Frederick Shaffer, who was the brother of Valentine and son of Andrew Shaffer. The date of his death is 1874 so is the same and his wife is Elizabeth, who was his second wife. If so they must have lived somewhere in the Spencerville, IN area. I have had no time to check it further. The cemetery is south of the town of Spencerville on Highway 1 and is a little hard to get into. It is along a busy highway, and the turn into it is up a hill and quite sharp. You may have these photos as I have copies of them already and these I had made for you.

It would appear that Frederick Shaffer was born July 22, 1783, and died Nov. 27, 1873. At this point, I cannot read Elizabeth's dates for sure, so will have to make a trip back to the cemetery again when the weather warms up a little. Not sure who Henry was, but perhaps a son or grandson. Just thought I would send these. Perhaps you have the members of Frederick's family by this time. Anyway, this is just a teaser I guess as I cannot read my photos. When I took them, I didn't really suspect they were members of the Monroeville Shaffer family so didn't write down the rest of the information. But will definitely will go back for more information. As soon as I find out any more will let you know.

Our computer right now is a MAC, but that may change shortly. Our son who has computers in his business, is setting me up with a Hewlett Packard that will have windows 95 and so that will be a change. One of these days I will try to get a color printer and a scanner too. They got a scanner for their Christmas present this year and it is really neat. I see how effectively you use yours. But first I had better learn to use the new computer and being on-line. This MAC doesn't have enough memory to do anything like that. I did buy an Ultimate Family Tree program, but when I found out I needed more memory to use it, I just set it aside. John has the pieces to bring over and hook up for me of the new computer, but with such a busy season, hasn't had the time as yet. Perhaps between Christmas and New Year as he doesn't have to go out on the road until after the first of the year. Well had better close for now. Just wanted to send these photos and stay in contact. Perhaps a trip will still be in order, but probably not until spring. Then I will bring what I have.

Betty Fitch

P.S. I have several old maps of Concord Township, DeKalb County, where Spencerville is located and looked on those for any Shaffers, but could find none. Also looked in Northern Cedar Creek Township for Shaffers and did not find those either, as that would be right next to Concord. Township lines changed over time. Anything more you might have on the Frederick Shaffer family would be appreciated. There is also a Shaffer family in the Leo area now (or was when I was growing up and believe they still live in the area). I may try to contact Mrs. Shaffer and see if she happens to know of her husband's background. She is probably around 90 years old by this time, but I have seen her at the grocery store a few times so know she is still living, and seemed in good health. I know Shaffer is a common name, but am hoping this is the Frederick of this family. The death date of Nov. 1873 is very close to 1874 and assumed with the 0's in the date that it was unknown by you.

Will close again. Hope you are well and had a nice holiday season.

Thanks so much for your letter and the pictures. I have not had time to check my records as yet but will do so soon and let you know what I come up with. I did not think about any of the family being in the counties surrounding Allen Co and Monroville .

Also thanks for your e-mail address - I'm with you in that it seems much easier to keep in touch this way. I have met a number of interesting people through it along with others in our families who have gotten on line.

We were caught up in the hustle and bustle of the holidays and I got behind with my genealogy but hope to get back with it. Our daughter and I are planning a trip to the Ft. Wayne Library a week from Frii = Jan 8th. I have been in touch with the daughter of a cousin of Verne's on his Dad's side - she lives in Leo and goes to the Library frequently so we are hoping for some help as to what is there and how to go about getting to what we might want. Hope the weather cooperates.

Sounds as though you are really getting set up in the computer business. I have an IBM compatible that should work well with your HP (my colored printer is a HP of the 850-855C series and I like it real well. My scanner is a Umax Astra 600S. This summer we splurged and got a digital camera that uses the computer floppy disks instead of film. I have a small computer screen on the back where you view what you are taking - you can remove the disk and view it on the computer and delete what you do not want

and print those you do want. We have really had a lot of fun with that - especially taking pictures of our two young great grandsons!

You mention that you purchased the Ultimate Family Tree Genealogy Program and that you do not have enough room on your hard drive for it. I have the Brother's Keeper Program and have only what I need to access the program on the hard drive. I keep my data on a disk. That way if anything happens to the computer system, I still have all my info. I have a Zip Drive and holds a million bytes so it has gobd of room and I do not have to have it on the hard drive. Talk with your son about it for it will save you a lot of space.

Will look forward to your coming over and bringing with you what info you have and it will be easier for us to compare notes. If you have any pictures I would love to make copies of them. Verne just came up and is ready to play our nightly Yahtze game so will close. Will be looking for an e-Mail from you Our E-mail is vrschlem@kuntrynet.com.

Subj: Adam Barrone  
Date: 3/2/99 4:42:26 PM Eastern Standard Time  
From: WFitch5413  
): vrschlem@kuntrynet.com

Dear Ruth,

Since I did not hear from you about making a copy of the newspaper article, I assumed you either saw it or you did not get my e-mail letter. Hope that isn't the case and that I am coming through loud and clear. I still wonder, but guess most of the e-mails go through OK.

Today I got through the mail a letter from Adam Barrone and he sent me his many-page information on the Brown and the Hoffman families of Somerset, Pennsylvania.

It would look like he has gone to a lot of trouble, or someone did to get all of that in-formation. I have not gone through it thoroughly, but didn't see a Shaffer connection though there may be one. One thing he sent to me that might be of interest to you if you can find it is his Web page. He said that he had some photos of the Brown families, John H. Brown, who would be my dad's grandfather, and also of Henry and Mary Brown who are buried in the Brown Cemetery and who are John H.'s parents.

Mary Brown was a Hoffman.

I talked to Adam on the phone a day or so after the article came out in the paper about the Brown Cemetery and he said he had quite a bit of information. He comes down in the family of Henry and Mary Brown from their oldest daughter, Polly, who married Michael Barrone. So we have the same set of great, great grandparents.

His Web page address is - <http://www.student.ipfw.edu/~barraj@1/>

That is what it looks like to me. Thought if you were interested in seeing his page you might want to try it. He says it takes some time to load it as the pictures are quite large.

I am having much difficulty in getting on the www as this computer keeps refusing to install the Internet Explorer for AOL. Our son, John, has finally decided after about 6 tries to install it, that he is going to try to put in Netscape for me. He bought the software yesterday, but today has a sore throat and his wife is sick with the flu, I guess so I told him to just stay at home and not expose us!! However, he is on the way to Australia this coming Friday and will be gone for 5 weeks on a business trip so if he doesn't get it in this week, I am still out of luck for getting on the Web. Our grandson out in Montana has a Web page with all his latest news and I cannot get that either. My e-mail seems to be working fine though and so I just continue on and have faith that one of these days I will be able to get out on the Web. Always the optimist!!! It just seems like it has been forever.

The other thing I wanted to ask you was if it was OK to copy your Shaffer information for Adam. He has asked for the Shaffer line too as there are Shaffers in the Brown Cemetery. I wouldn't copy the photos, but just the written information. Doubt he would be interested in the photos except where Joseph Newton Brown and Lydia Shaffer are concerned and I have one of those I can get copied for him. And he has more photos than I have. Said we could get some copies made one of these days, but as he is a college student, a student teacher, and involved in many things, he goes a dozen directions. He said I could view them on his Web page until we can get some copies made. Wish I could!! I may go over to my son's house when they get all over the flu and have them do it on their computer. My grand daughter is a whiz at the computer so am sure if we can read the address correctly, we can do it.

Well, enough for this time. Hope this gets through OK.

Hi Betty

Sorry I did not get back with you sooner but I had misplaced your previous correspondence and just now ran across it again. Will try to be more prompt in the future.

I am interested in the newspaper article you mentioned and did not see it. We do not get a Ft. Wayne paper. Would appreciate a copy if it is still available. Thanks. I am also interested in this Adam Barrone you mentioned having contact with and for several reasons. First we have the Hoffman name you mentioned in our Schlemmer and or Shaffer backgrounds so I would be interested in that name. The next thing - I tried the website but was not able to get into it - will try again. Sometimes they are busy or even it seems that a website is not available through our server (don't understand why that should be). Also, I have a sister in CA who asked me a week or so if I would look up something for her neighbor and the name was Barrone (wanted Italian info on the family) I wonder if your Adam could be in the same line! Will be talking with her again this Sat. and will see if I can get more info. Is Adam located in Ft. Wayne?

I would have no objections to your giving Adam a copy of our Shaffers and would be interested in any info he might be able to give me should he find any that I do not have.

Have been quite busy with the Schlemmer line of late. I have been in touch with a girl in Denver who was originally from NW Indiana and has Schlemmer ties back to Monroeville. She sent me some info that she got from Alsace Loraine with Schlemmers there including the first family to migrate to the US so I have been working at sorting them all out and finally made it today. She had the wife and children of the first Peter Schlemmer to settle in Monroville (Listed in the early history of Allen County as one of the earliest settlers there). I think they have a copy of that book at the Library and what I have seen of it is real interesting and many of the names of the early families are shown there. I received copies of part of it that included the Schlemmers from a girl in Ft. Wayne whose Dad was a cousin to Verne and she is also working on the Schlemmer line. That took us back a couple of generations over there which was a thrill! Sure would like to fill in some of the gaps in our early Shaffers. Know that they were over here prior to the Revolutionary war for one of the early men in our line fought in that war. Need info as to when and how they got to IN from the Philadelphia area. Perhaps, if I get back to the library, I can see if I can find any info.

When you get set up so you can get into the web, you will have to check out some of the genealogy websites - there are hundreds of them out there and places where they have lists of surnames that you can check and get in touch with others who are researching the same lines. It is expanding all the time and I just saw the other day where the Mormon Church is planning to put some of their family histories on line. That sure could be a big help to us who are interested in genealogy.

Suppose you had some of the snow we had last night and this AM. Things

were shut down this AM but traffic seems to be moving again now. We have been in the house all day - it is beautiful to look out at so long as you don't have to be out in it.

That's enough rambling for now. Looking forward to hearing from you again - will try to do better at answering in the future.

Ruth

Hi Betty

I did get into Adam's website and have it bookmarked. He sounds as though he has really been working at getting info on the internet so I will check his website from time to time to see if there is anything new there. As for sharing info with him - I do not object to your passing along my info and even the pictures if he is interested in having them.

I have a couple of websites for you. One is for a new search website that I have been having good luck with - in fact it is the one that I finally used to locate Adam's website. It is <http://www.google.com>. I also found a way into the Mormon website - that is - <http://www.lds.org/>. I am sure they have other websites also but have not found them. Did not find anything in the way of records like I did sometime ago.

You also mentioned the Shaffers as coming through OH and especially the eastern part. I have several Schlemmers located in OH before coming to IN also. That must have been a good route to travel at that time. Verne's Schlemmer grandmother's obituary shows her as being in Holmes Co, OH for a time before coming to IN. That part of OH is also part of my background - I was born and raised in the Akron area and we had relatives in the Canton - Alliance area so visited there quite frequently. My sister who still lives in that area and her daughter-in-law have done some research on our families in that area of OH but I have never thought to check for the Schlemmers - Shaffers and Britz families there. Will do so one of these times. Have you been into the websites of the various states? Most of them have query sections where you can post the surnames you are researching in the various counties.

Something that I almost forgot - one of my sisters in CA has a neighbor who asked to ask me if I could locate any info on his ancestors in Italy by the name of Barone. When I heard about Adam, the first thing that crossed my mind was this inquiry and I am curious. Could you find out if his background is Italian and if he has relatives in the LA area of CA? I will be talking with her Sat evening and will mention this to her

Don't worry about your rambling along - I'm inclined to do that also so hope I don't bore you.

Will close now - hope you and Adam have a good session. Will be anxious for a report.

Dear Ruth,

I would guess that you have already heard from Adam, but just in case you have not will tell you that he has your e-mail address and mail address also. I told him you were interested in the Brown/Barrone information as he had given it to me, so no doubt he will or has already contacted you about that. If not contact him.

When we asked if there might be an Italian connection, he thought that the name as they spell it was German, but in Italy it was spelled with 1 "R" so perhaps not the same family until you get back to "Noah"! (that was my comment, not his)

He seems like a very nice young man and has very precise books all in protective covers and so very neat. Guess I am not quite that neat as yet. I do put final items in protective covers, but a lot of mine is just information to be assimilated into the family histories, like census records, etc. And I protect all my photo pages also. I gave him the Shaffer genealogy as you gave it to me, but showed him the photos and unless they cross the Brown/Barrone line somewhere probably would do him no good. He had made some copies of the Brown photos for me and they are really nice. I have made a copy of the Cemetery article and will send it. It is just in black and white but without a scanner I can't think of a way to get it to you by e-mail.

Our son John, who is in Australia, at the moment has been sending back to us some photos he has taken of his travels and folks he has met. Very interesting how that can be done. He said he just wanted to prove to us he really was in Australia!! He had purchased a digital camera before he left and guess that is how it is done.

I told Adam that there were Hoffman folks in Madison Township and showed him the map and he did not know that any of them came to Indiana. So if you can show him where your line crosses the Hoffman family, it might be that some of them did, need, come to Indiana with the Browns. Love his Web page and have clicked on everything there and printed some of it. Well, will stop for now and am quite sure you will enjoy your association with Adam and hopefully you can be of help to one another too. As you have been a really great help to me!!

Still have had no word from the Miller crew, and hate to bug them again, so perhaps they are still working on it. It is probably not a priority in their lives at this time.

Adam's e-mail address is Abarrone@Purdue.edu  
and he lives at 2810 Allegheny Ave., Ft. Wayne, IN 46809

He lives at home with his parents and younger brother. His father's name is Dennis.

Dear Ruth,

Have been meaning to get back with you just to tell you how much I appreciated hearing from you over this past week and weekend. Appreciated the "Hugs" even though I did not send them back to you. As yet I have never done that, either sent back or sent on what I have received. Guess I had better get out my book and find out how that is done! Without sending back all the "garbage" that goes along with e-mail. John said I could save them and cut and paste, but have just been too busy I guess to even try it.

Wanted to tell you that Warren and I are Christians, and we met the Lord when we were in our 40's and were saved at a United Brethren Church about 4 miles from us. It has been an exciting life since that time, with many ups and downs of course. So appreciated the things you sent. But it was a very busy weekend for us. We had Easter dinner with one of our children this year. (son, Larry) The rest all had somewhere else to go so we were not all together. Though we did go to church with our other son, John, who had just gotten back from Australia and England after being gone for 4 weeks. Then they went on to the other in-laws for dinner.

John still wants us to go to England with him this coming summer, but not sure if we have the gumption or get up and go it takes to make that trip! Especially, as I am responsible for the Fitch Family Reunion that is coming in July. Guess we will just have to wait and see how it all works out. Since the Fitch family is from England and came over about 1650 or before, and we know the town they came from, it would be fun to see all that, and guess we could as it is not far from London, it means a lot of planning.

I just recently got my books from Floyd Brown on the Henry Brown family. It is alot about his own family which would be a brother to John H. Brown who is my great grandfather, but since we share the same Henry and Mary Brown as great, great grandparents, he had some background that was really interesting on the Brown family from Somerset, PA. I also sent him your Shaffer pages and he appreciated them even though there may be no Shaffers in his direct background. His family apparently left Indiana and spent time in Iowa and now California. His research seems to be really scholarly and he has documentation listed for most of the things he says. Apparently the Browns came from Ireland before the Revolutionary War. Several of John H. Brown's brothers were in the Civil War. He spent quite a bit of time in Pennsylvania digging in the old records, etc.

One warm Sunday afternoon recently Warren and I stopped again at the Spencerville Cemetery. I wanted to check on the Frederick Shaffer stones again, but would you believe, I could not find them!! I know they are there and should have taken my photos with me and it might have helped me spot where they are. I found another Henry Shaffer across the road in another part of the cemetery, but that was all we found. I will not give up, as I know they are there. We also went on over to Newville to the Cemetery there, as Warren's DeLong family has a member buried there. I hadn't been there before and it is really old and in rather bad shape, but took lots of photos.

I really appreciated all the Web sites that you sent. Now if I can just find the time to go to them. I tried the census one and found it was very interesting, but somehow I lost what I was looking for. I guess I was in DeKalb County, and it kept taking me to Decatur County and so I finally gave up. But will go back and try again. I am sure I will get on to this some day. Also need to go to the LDS site again. I guess the reason I am so busy is that I have finally installed my Family Tree Maker and am trying to input my information in it and that seems to take a long time, since I have about 30 different lines that I have information on.

Then the Brown books came, and I got a Fitch letter from California with a lot of photocopies of different deeds and land contracts that are chock-full of goodies!! And John brought me home some books from England with maps and all and I have been having a good time, but losing out on the Web.

So, just wanted to stay in touch and say I am enjoying the things you send even if you don't hear from me. Thanks again and the Lord bless!

Betty

Democrat, it should be said in passing, and served the township as trustee for six years.

**Jesse B. Shaffer.**—To no one element of citizenship does Allen county owe more for her eminent precedence as a stage of advanced agricultural enterprise than to the large contingent of citizens of German birth or lineage who have been identified with the development of the county in the progressive stages of its history, many of the honored and influential pioneer families having been representatives of the sturdy German stock that has played so important a part in the civic and material achievement of our great republic. He whose name initiates this review may well take pride in being the scion of one of the fine German families that was founded in Pennsylvania in an early day and that in later generations was to wield much influence in connection with the normal development and progress of northern Indiana. Jesse B. Shaffer, who is now one of the substantial agriculturalists and stock-growers of Maumee township, with a fine farm of ninety-one acres, in Section 6, was born in Springfield township, this county, December 10, 1860, a son of Henry and Johanna (Gorrell) Shaffer, the former a native of Pennsylvania and the latter of Ohio, and both young at the time of the removal of the respective families to Allen county, Indiana, in the early pioneer days. After their marriage the parents of Mr. Shaffer settled on a farm in St. Joseph township, near Fort Wayne, and later removed to a farm in Springfield township, where the father continued his activities as an enterprising agriculturalist and stock-grower until he was well advanced in years. He then retired and established his home in the village of New Haven, but passed the closing period of his life in the city of Muncie, this state. His wife survived him and was a loved member of the family circle of her son, Jesse B., of this review, at the time that she too was called to the life eternal. Of the eight children the sixth and seventh, Henry and Charles, died in infancy, and the eighth, Earl, is also deceased. Those surviving are: Sophia, Gold, Mary, Laura and Jesse B., so that the subject of this sketch is the only surviving son. To the public schools of Springfield township Mr. Shaffer is indebted for his early educational discipline and as a youth he gave vigorous assistance in the work of the home farm. He eventually initiated independent activities as a farmer in Springfield township and later was a resident of the village of Harlan, that township, for two years. He then removed with his family to Antwerp, Paulding county, Ohio, where he engaged in the hoop mill business and there continued his residence six years, within which he served two years as a member of the city council. Upon leaving Antwerp he returned to his native farm, where he has since continued his progressive and successful activities as an agriculturalist and stock-grower. His is one of the valuable farms of Maumee township and on the same he has made the best of permanent improvements, including buildings, fences, tile drainage system, etc. He is a vigorous and public-spirited citizen and served two years as a member of the advisory board of Maumee township, his political allegiance being given to the Republican party. In the village of Harlan he maintains affiliation with Lodge No. 331, Independent Order of Odd Fellows. The year 1881 recorded the marriage of Mr. Shaffer to Miss Nellie Feighley, daughter of the late John W. and Matilda (Reichart) Feighley, the former of whom was born in Maryland and the latter in Ohio, where their marriage was solemnized and whence they came to Allen county and settled in Maumee township. Later they

J. W. Shaffer Wayne Twp., Noble County, IN  
born Pennsylvania Farmer

Settled in 1866

in that position, as has already been stated. Mr. Serva has had about eight years of military service, though all of it has been of a peaceful nature. While in Canton high school he was a member of Company C, Canton Independent Battalion, and was a sergeant in his company. During his university days he was a member of Company A, a picked company, known at the time as one of the best-drilled military companies in the United States. It was challenged by a number of similar organizations from all over the country, and won out against all comers. Mr. Serva was a commissioned officer in the university regiment and was commissioned all the way up to the rank of first lieutenant. On September 15, 1896, Mr. Serva was married to Miss Antoinette M. Biechle, daughter of Leopold Biechle, a retired merchant of Canton, Ohio. They have one son—Albert Edward Serva, born January 9, 1902. Mr. Serva is a Republican in the matter of national politics, but in local issues always takes an independent stand. He is a member of St. Patrick's Roman Catholic church of Fort Wayne and of the Knights of Columbus. Other orders with which he is identified are the Elks, the Jovian Order, the latter being an electrical society, and the Phi Gamma Delta, his college fraternity. He is also a member of the American Institute of Electrical Engineers, the American Society for the Advancement of Science, the National Geographic Society, the Fort Wayne Country Club, and the University Club of Fort Wayne. He is now (1917) aide to the directors of the United States Naval Consulting Board.

**Amasa Shaffer.**—One of the prominent families of Madison township is represented by Amasa Shaffer, who was born in the community that is now his home on January 4, 1853. He is a son of John and Martha J. (Robinson) Shaffer, born in Ohio and there reared. They came to Allen county, Indiana, in 1841, and were here married. They settled on a farm, or on what promised one day to be a farm, though it was a good deal of a wilderness at that time, and they built a log cabin on the place, in which the family lived for some years. Later the cabin gave way to a more pretentious dwelling, but it is probable they were quite as happy in the log cabin as in the frame house. The father died, in 1903, and the mother passed away, September 26, 1916, at the advanced age of eighty-nine years. Of their ten children, two are now living. Amasa Shaffer was reared and educated in Allen county, and lived on the home place until he was twenty-two years old. He married Miss Samantha Jane Peckham then and set up an establishment of his own. Mrs. Shaffer was the daughter of William and Margaret (Heaton) Peckham, people of Ohio birth who came to Indiana soon after their marriage, and their daughter, Samantha Jane, was born in Allen county, Indiana. Eight children were born to the Peckhams, two of the number being deceased. Following his marriage Mr. Shaffer settled on a sixty-acre farm, situated in Section 35, in Madison township, and there resided until March, 1917, when he sold the place and the family established its home in Monroeville. The children of Mr. and Mrs. Shaffer are eight in number, and the family is distinguished by its possession of two pairs of twins. The children are here named in order of their birth: Oscar E., of Fort Wayne; Elmira P., the wife of R. Adams; Clyde W. and Claude J., twins; Edgar A., prominent in the Masonic order in Allen county.

He was one of the organizers and vigorous supporters of the Fort Wayne Commercial Club, was a Republican in his political allegiance, and was always very active in the promotion of religious interests, as is also his widow, who still maintains her home in Fort Wayne. Mr. Seavey wedded Miss Catherine Amy Randall, the only daughter of Judge Edwin Randall, of Avilla, Indiana, and of their two children the elder is Walter R., president of the Seavey Hardware Company; and Irma Mary is the wife of C. Allen Merriam, of Portland, Oregon.

**Adam Amos Serva.**—Twenty-two years ago Adam Amos Serva became identified with Fort Wayne in his capacity as expert electrician in the employ of the General Electric Company, then known as the Fort Wayne Electric Corporation. His rise in the electrical field since then has been steady and consistent. In 1903 he was made assistant secretary of the company and in 1911 became sales manager of the Fort Wayne Electrical Works of the General Electric Company. He occupies that position today. Mr. Serva was born in Stark county, Ohio, January 15, 1869, son of Charles and Nancy (Sarver) Serva, natives of New York state and Ohio, respectively. The father was reared in Ohio, having been brought to that state by his parents when a small boy, and was long active in farming operations. His later years he spent in quiet retirement on his home place, and death claimed him in September, 1914. The mother still lives and has her home in Canton, Ohio. Of the nine children born to these people, two are living today—Adam A., of this review, and a daughter, now the wife of Doctor Flickinger, of Canton, Ohio. Adam A. Serva had his early schooling in the public schools of Canton, finishing a course in the local high school of his home city and then entering the Ohio State University, where he studied mechanical and electrical engineering. He was graduated, in 1893, with the degree M. E. During Mr. Serva's last year at the university he accepted a position with the Egypt-Chicago Exposition Company as chief of the electrical construction for the World's Columbian Exposition, and successfully carried on that work in conjunction with his university work, graduating with his class on schedule time. His work in connection with the exposition was considered very creditable, electrical displays at that time being in their comparative infancy, one might say, so that his accomplishment in that field were a good deal of an innovation. In the summer of 1893 he was appointed assistant engineer to the Board of Awards, under the United States government at the World's Columbian Exposition, where he continued to the close of the exposition. His next position was as foreman of an experimental telephone laboratory for S. D. McKelbey, Canton, Ohio, and, he says, "a little later on we organized the Independent Telephone Company at Canton." In November, 1894, he entered the employ of the Fort Wayne Electrical Company as electrical expert and salesman, and a little later on was appointed engineer of the Philadelphia (Pennsylvania) district for the Fort Wayne Electric Corporation, still later filling the same relative position in Boston, and in 1898 entering the employ of the General Electric Company as expert and salesman in their New York office. After a short stay there he was transferred to Fort Wayne to fill the position of assistant sales manager of the Fort Wayne Electrical Works, and, in 1903, the duties of assistant secretary were added to those of assistant sales manager. In 1911...

Looking for Elizabeth Chambers, who was possibly the wife of Andrew L. Shaffer. The would already be married by this time as their first son, Frederick Shaffer was born in 1789. But this represents the name of Chambers in the state of Maryland at that time. She may have been from PA also.

Washington County Chambers are: Joseph, Roland, Robert  
 Montgomery County: Ann, Catherine, Henry, John, William

Valentine Shaffer, son of Andrew and brother of Frederick and Jabez and others married a Margaret. One source said Margaret Catherine and another said Margaret Graber. Valentine would probably have been born in Maryland, and then the family moved to Ohio, so not sure if he was married in Ohio or Maryland. Valentine was born 1795 and Margaret about 1797, married about 1825 and the first child was born in 1826 which was James. Mary Ann was the 2nd and was said to be born in Ohio. So may be looking for an Ohio Graber. Perhaps her name was Margaret Catherine Graber.

# SHAFFER, 1850 OHIO

The spelling of the name Shaffer varies with times and places. There are three main spellings: Shaeffer, Shafer, and Shaffer. The ones we have looked for in Indiana are spelled Shaffer and Shafer and seem to come from the same family. It may be the difference in census takers or they were not really strict in how they spelled it themselves.

It would appear that the Shaffers that spelled their name with 2 f's have moved away from the Stark County area unless they are mixed with those of another spelling. In 1850 in Indiana we had these Shaffers in Allen County: Amasa was dead, John and Martha Robinson Shaffer, Jonas Shaffer, Amasa, son of John, & probably Valentine.

Margaret, wife of Valentine was buried in the Brown Cemetery in 1854 and Valentine lived another 20 years. Jabez Shaffer died before 1850 in Indiana and is also in the Brown Cemetery. He would have been born 1793. Both James Shaffer and John Shaffer are listed as being born in Stark County, Ohio, and are buried in the main Monroeville Cemetery. James was born in 1826 and John in 1824.

We are looking for the Valentine Shaffer who came from Pennsylvania and moved to Stark County, Ohio. John and James may be brothers and Amasa may also be their brother. Amasa born 1821. Possibly Jabez and Valentine are also brothers. Valentine 1, James 2, Valentine 3, Lydia 4, Guy Brown 5.

Valentine Shaffer, son of Andrew and brother of Frederick and Jabez and others married a Margaret. One source said Margaret Catherine and another said Margaret Graber. Valentine would probably have been born in Maryland, and then the family moved to Ohio, so not sure if he was married in Ohio or Maryland. Valentine was born 1795 and Margaret about 1797, married about 1825 and the first child was born in 1826 which was James. Mary Ann was the 2nd and was said to be born in Ohio. So may be looking for an Ohio Graber. Perhaps her name was Margaret Catherine Graber.

Looking for Elizabeth Chambers, who was possibly the wife of Andrew L. Shaffer. She would already be married by this time as their first son, Frederick Shaffer was born in 1789. But this represents the name of Chambers in the state of Maryland at that time. She may have been from PA also.

Washington County Chambers are: Joseph, Roland, Robert  
 Montgomery County: Ann, Catherine, Henry, John, William

Valentine and Jacob are both (112)

James Shaffer was born in Starke Co., Ohio, according to cemetery inscription and records. Probably the son of Valentine in about 1827 so should look for him in 1830 and 1840 census.

-------------------	-----	---------------	---------------------

It would appear that the Shaffers that spelled their name with 2 f's have moved away from the Stark County area unless they are mixed with those of another spelling. In 1850 in Indiana we had these Shaffers in Allen County: Amasa was dead, John and Martha Robinson Shaffer, Jonas Shaffer, Amasa, son of John, & probably Valentine.

Valentine Shafer	(349)	Brown	Washington
Jabeg or Jabez Shaffer	(245)	Carroll	Ross
